

Guidelines for Abstract Preparation

The working language of the 7th EVIW is English, and only abstracts written in English will be considered.

Please read these instructions carefully and prepare your abstract accordingly.

The length of abstract body (excluding the title and authors) is limited to a maximum of 250 words. Please do not include tables, figures and references in your abstract.

Please prepare an informative abstract that covers the main points of scientific research: aim, material and methods, results, discussion, and conclusion, and ensure that your abstract contains no material mistakes, and is written in good English. The abstract will be reproduced as submitted in the Book of Abstracts.

Please submit your abstract through our [Abstract Submission Portal](#).
